## THE IMPACT

The new Agency Workers Regulations (AWR) which are designed to give temporary agency workers parity in pay and employment conditions becomes law in October 2011.

Failure to comply with the AWR will result in a fine of £5000 per incident. Can your business afford not to have a solution in place?

## HOW DOES IT WORK

Backoffice has a bespoke AWR forecasting solution that will suit all of your needs. It is available to use **FREE** of charge at:

<https://awr.backoffice4u.co.uk/>

## THE BENEFITS

Increase your profit margins by up to 13.8%.

Increase the workers pay by offsetting their business related expenses.

A unique AWR forecasting tool for you to use for each assignment calculating the qualifying period per assignment and the workers' parity for pay and benefits for assignments past the 12 week threshold, including the ability to apply multiple bespoke holiday rules for each hirer.

Centralised work placement management reports including real time work history records for each contractor.

Tailor made upper and lower level contracts to suit each payment model and comply with AWR.

Underwritten solutions that indemnify you and your clients – policy details available upon request.
